

Our Fleet

Dassault Falcon 50EX

Speed: 480 knots
Range: 3,050 nm
Passengers: 9
Cabin Height: 5.8'
Cabin Width: 6.1'
Baggage Volume: 115 cu. ft.

The Falcon 50EX is truly a unique aircraft — it is the only aircraft in its class to boast three-engine reliability and offer excellent performance even from high-altitude airports. The spacious, comfortable cabin, which seats up to nine passengers, has a full galley and a private, enclosed aft lavatory. Passengers can follow the progress of their trip watching Air Show® 400, a built-in, en route flight information display.

- Non-stop, coast-to-coast triple-jet reliability
- Worldwide capability
- Full lavatory
- Microwave oven
- Air Show® 400
- Satellite phone
- DVD player
- RVSM
- EFIS
