Beechcraft King Air B100

Speed:	240 knots
Range:	1,200 nm
Passengers:	8
Cabin Height:	4.9'
Cabin Width:	4.6'
Baggage Volume:	45 cu. ft.

- Aft lavatory

The King Air B100 is one of the most powerful, fast and efficient turbo-prop aircraft in business aviation, giving you access to runways many jets are unable to utilize. It offers comfortable club seating for eight passengers with superior head and shoulder room. The air-conditioned cabin also features convenient refreshment storage, a private aft lavatory and exceptional outer sound barriers for quiet travel.
